**AMEND Senate Bill No. 3806\***

**House Bill No. 4009**

by deleting the amendatory language of subdivision (c)(2) in SECTION 1 of the printed bill in its entirety and by substituting instead the following language:

(2) Grants to providers of primary and specialty health care services related to the treatment of pre-diabetes and diabetes. All community and faith-based organizations, regional and county health departments, clinics and other for-profit or not-for profit health-related providers are eligible to apply. In order to be eligible for a grant, an entity shall demonstrate evidence of financial stability, utilize evidence-based practices and show measurable results in its programs. The center shall establish the grant criteria and make award decisions. In distributing the grants, the center shall strive to create a coordinated, state-wide set of resources to assist Tennesseans in their efforts to prevent or treat diabetes.
